January 2017 to August 2017

# YOUR INVESTMENTS AT WORK

## WATER MAIN REPLACEMENT

RAYTOWN ROAD BETWEEN E. 87TH STREET AND E. BANNISTER ROAD

### WHAT?

- Important infrastructure work will be performed in your neighborhood
- Water mains will be replaced and realigned throughout the project

### WHY?

- Existing water mains have experienced numerous breaks, resulting in service interruptions and related construction and traffic inconveniences for customers

### WHEN?

- Weather permitting, work will begin
- January 2017 and conclude August 2017

### WHO?

- Contractor in partnership with KC Water

### WHERE?

- Raytown Road between E. 87<sup>th</sup> Street and E. Bannister Road

### IMPROVEMENTS?

- Fewer anticipated water main breaks
- Increased reliability
- Fewer service disruptions
- Enhanced neighborhood fire protection

### WHAT TO EXPECT?

- Large equipment will be used, creating noise and dusty conditions, which will be controlled
- Curbs, driveways, affected streets will be replaced
- Sod will be installed during sodding season after work is completed
- Ordinary travel routes will be temporarily restricted
